**Attention Grades 3-8 Families:**

Our spring sports season is here! We are excited to send out this registration form for the **Track and Field** season!

**Mission:** This opportunity will allow students to enjoy the company of their schoolmates outside of the school setting and build individual self-esteem and confidence while being physically educated through sport and activity.

**Season:** The season will begin on Monday, April 16, and continue every Monday until May 21. Times will not exceed past 4:50pm and students are asked to be picked up at 5:00pm (unless they are in aftercare).

**Fees:** The cost for this team sport activity will be \$40.00 per player which will cover the cost of facility rentals, equipment, uniforms coaches gifts and league fees.

Please bring this form to Yinghua Academy and place it in De Hanuman's mailbox with the completed information and we look forward to seeing your child play.
