

## YINGHUA ACADEMY 2016-2017 UNIFORM POLICY

At Yinghua Academy, we value our students for who they are, and not by how they look or what they wear. Students are expected to dress modestly and appropriately for an educational setting as outlined below in The School's Uniform Policy. Teachers and administration will check daily to see that students are in compliance with the uniform policy. The final decision regarding a student's dress or any uniform concerns will be made by administration. The School will follow the procedures outlined in the Student & Family Handbook for those students not in proper uniform.

### **WINTER CLOTHING**

Parents are responsible for making sure their children are always dressed appropriately for the weather. Students, teachers and staff go outside every day for recess, PE class, and/or Yinghua Care unless the actual temperature &/or wind chill is below zero.

A coat/jacket (sweatshirts are not sufficient), warm hat, and mittens/gloves are required when the weather is 40 degrees Fahrenheit or colder. In addition, snow pants and snow boots are required for students in grades K-5 whenever the weather reaches 30 degrees or colder. Students who are not dressed properly will not be allowed outside for recess, PE, or Yinghua Care.

**Always remember to send appropriate clothing with your child(ren) as outlined in the policy above, even on very cold days when students will not be going outside for recess. Dressing for the weather is always important. Students must be prepared in case an emergency situation arises which requires students to exit the building and remain outside for an extended period of time.**

### **FRIDAY SPIRIT DAYS!**

Every Friday students in all grades (K-8) have the option of wearing any *Yinghua Spirit Wear* top (T-shirt, pullover, sweatshirt, etc.) in addition to regular uniform pieces (tops & bottoms). When wearing a spirit wear hoody, pullover, or sweatshirt, students also need to wear a uniform/spirit wear shirt underneath in case they get hot and need to take off the outer layer.

*The School is always considerate and sensitive to concerns regarding the affordability of uniform clothing. The school has partnered with the above companies to provide a convenient option for our families to help them find approved uniform clothing. However, families are not "required" to purchase from them. If nothing else, these companies are a good place to see approved examples of what students may wear to school. They also offer frequent sales, have incredible return policies, and will embroider the Yinghua Academy logo if desired and frequently offer free logo and free shipping promotions. Families are welcome, however, to shop around to find the best options that work for them. Any store is acceptable, as long as all uniform clothing falls within the over-all uniform policy.*
