### **7. Ways Minnesota changed after immigrants arrived**

<i>Example: Change</i>	Explanation: what happened before + what happened after
Somali language is spoken in Minnesota.	Before Somali immigrants arrived, people in Minnesota spoke mostly English. Dakota, and a few other languages of other immigrant groups were also spoken in some places. Now that many Somalis have settled in MN, Somali language can be heard in shops, on the streets, in many neighborhoods and even in schools.

Now you practice!

Spanish language is spoken in Minnesota.	
Iron has been mined in MN for 100 years.	
Towns with names like New Ulm appeared in MN.	
The amount of forest land has decreased.
