Iron Mining Intro Homework

___/2 points

1. On p. 164, find the definitions for words # 16 iron ore and # 17 labor union. Write them in your own words in SS notebook, p. 71.
2. Read pp. 164-5, and enjoy the stories and information.
3. Read pp. 164-5 again, and find answers to the following questions.
4. Find 2 examples that show how iron mining was dangerous.

| | |
|----|----|
| a. | b. |
|----|----|

5. Anton Antilla was paid according to how much iron ore he mined. Why did Anton and other miners think this system was unfair?
6. According to Anton and the miners, what system of pay would have been fairer?
7. Why did the miners' strike fail?
