## **Yinghua One-on-One Tutoring**

New this year, Yinghua has a centralized, fee-based tutoring service available. Note that there are other options above, and tutoring is not required of any student.

- Fill out an online form, and Dr. Lien will match your child with a staff member.
- There is space on the form for you to add details to your request.
- Everyone in after-school tutoring is part of Aftercare, as well, so students can stay at school before and after tutoring, as late as 6 p.m.
- Fee is \$35 for a full hour of tutoring, plus \$10 for Aftercare per tutoring day; \$25 for 45 minutes of tutoring , plus \$10 for Aftercare per tutoring day; or \$20 per 30 minutes of tutoring, plus \$10 for Aftercare per tutoring day.
- Tutoring will be set up in three 8-week sessions – one in the fall, one in the winter, one in the spring. There will be a make-up week to cover one missed session.
- Term III tutoring begins the week of March 20.
- Find the Tutoring Request Form on the Yinghua website under Current Families, then After School, then Tutoring Request. (Be sure to CLICK on After School instead of just hovering over it to see the complete list of options.)
