<b>1-1:30</b>	***Water games: class volunteers/parents lead games. See water games packet for ideas or check out youtube. We prefer <b>no water balloons</b> (not environmentally safe). If you do decide to use balloons you must clean up and they cannot be thrown at someone (as in trying to hit them-not heart safe or body safe).				
<b>1:30-2:00</b>	You can continue water games, other field games or head inside				
<b>2:00</b>	Clean up: PE Department, specialist teachers and parent volunteers				

\*\*\*Activity: teacher or parents organize it. We recommend a country theme activity for the non-water time.

*Classroom coordinators: 1-organize country outfit. 2-Help teacher with water game activities and country activity. 3-Organize who can bring in a wagon... 4- Buy one home depot bucket, 2-3 water spray bottles and sponges (if doing a sponge activity)*
