Dear Kindergarten Families:

Since opening in 2006, Yinghua has celebrated **Grandparents' Day** (重阳 敬老节) at school each fall. Our event is tied to the Chinese Elders' Day and encourages young people to respect their parents, grandparents, and elders.

We will celebrate this important cultural holiday on **Tuesday, October 9, 2018**, for guests of students in kindergarten, first grade, and second grade. Our school has grown, and inviting guests of students in all grades yields too large a crowd for student and guest safety.

We ask you to share with us the mailing and email addresses of your kindergartener's grandparents so that we may be ready to send invitations. You may also include contact information for a great aunt, other elder family member, or elder friend of the family, for instance, but for budgeting reasons we ask you to supply no more than four mailing addresses.

We invite you to complete the enclosed pink form or follow this link to an online version of the form: <https://goo.gl/forms/OjXAuHRoBzWpYnJe2>. If you are a returning Yinghua family and have grandparent address updates to share, please contact abigail.pribbenow@yinghuaacademy.org.

With your permission, we'd also like to include your Yinghua student's extended family of supporters in mailings about events such as the school's Read-A-Thon and Red Envelope Annual Campaign. Check the box on the form to let us know if you do not want your contacts to receive this information.

Please return your addresses to the school by August 14. Thank you for helping expand the school's efforts to build a strong community of support for Yinghua Academy.

Yours sincerely,

Wynee Igel and Abigail Pribbenow
