

BASKETBALL

Fee: \$90

Preparation

- Recommended: change into shorts and a t-shirt
- Bring basketball bag and backpack to gym. Change in locker room.

Practices

- Thursdays 3:35-5pm (8 sessions)
- Please encourage your child to eat a healthy snack after school before heading to the gym.
- Each day will include skill work and scrimmages.

Team Expectations

- Be on time and prepared for practice (proper shoes & athletic clothes).
- Listen to your coach. When coach talks you listen and keep ball quiet.
- Respect, encourage others and play with integrity.

Silent Dismissal

- A list will be created in Silent Dismissal → Athletics.
- You are responsible for adding your child to the “Gr. 3-4 In-House Basketball” list.

After Care

- **All students who are not picked up after practice will be sent to after care. You will be charged \$10/day. You have a 10 minute grace period. That means we will send your child to after care at 5:11.**
- You do not need to register for after care. Your child will be put into the system when they show up.
- If we know your child is using after care we will send them after practice so they can get a snack and start their homework. Please make sure you communicate this to your child.

Coach: Erin Thune
