- **Silent Dismissal** If your child is staying at school on December 13 between dismissal and call time, set a Silent Dismissal override to Aftercare Only for that day. A \$15 fee will apply. Aftercare will alert students when call time arrives. Check with quinn.lee@yinghuaacademy.org for help setting an override.
 - **Hearty Snack** If using Aftercare or attending the TechnovationMN meeting, send your child to school with a hearty snack from home to eat during Aftercare before call time. Aftercare provides a small snack, but this isn't enough for performers. Students going home at 3:30 and returning to school for call time should eat before they return! We cannot accommodate families eating dinner at school with their children prior to the performance.
 - **Concert Attire** Plan ahead! Aftercare students should bring their concert attire to school with them on December 13. Performers who go home before the concert should arrive at call time in their concert attire. Parents, do not drop off clothing after 3:30 p.m. on concert day.
 - **Audience Seating** Concert seating begins at 5:30 p.m. Early guests may gather in the Door 1 vestibule.
 - **TechnovationMN** Students and parents who plan to attend the TechnovationMN informational meeting at 4:15 on concert day, set a December 13 Silent Dismissal override to "Aftercare Only." Libby Pomroy will remove the Aftercare charge for students who sign in at the meeting. Pack a hearty snack for your child to eat during Aftercare before the meeting. Parents should arrive at Door 2 by 4:15 to sign in for the meeting. When the meeting is over, parents may either leave the building, or wait in the Door 1 vestibule until concert doors open at 5:30.
