

# Yinghua Photo and Video Info for CNY 2019 - Year of the Pig

Photography, videography, and livestreaming arranged by the Yinghua Academy Community Association.

## How do I get a picture of my child in costume?

We are taking pictures for you! On dress rehearsal day volunteers will take individual, class, and small group pictures of students with their costumes on, and, during dress rehearsals and performances, volunteers will take candid pictures. If you do take your own photos, upload them for others to enjoy and for use in the yearbook. You'll have access to all of these pictures via the shared [school photo storage](#). Questions: [photos@yinghuaacademy.org](mailto:photos@yinghuaacademy.org).

## May I take my own pictures on Saturday at Bethel?

On performance day, we will have many volunteers taking pictures in classrooms and onstage. Yes, you may take your own photos, but do NOT pull your child from a classroom. DON'T pull your child from a line—teachers need to keep track of all students and move swiftly from classroom to stage and back! If you take pictures during the performance:

- DO NOT USE A FLASH! This disrupts student concentration and interferes with our professional videography.
- Do NOT use a selfie stick. This disrupts the view of other audience members.

## May I record my own video on Saturday?

Sit back, relax, and enjoy the performance! You can order professionally recorded video in either digital download or DVD format. However, if you wish to record your own video during the performance, do not use flash or a selfie stick.

## How do I order the video?

Scan the QR code at the right to order a DVD or Digital Download, or go to <http://yinghua.corecommerce.com/>. Recordings are \$20 for one show and \$30 for both shows. This is the first year we are offering two format options—DVD or Digital Download. The ordering deadline is February 19. A limited quantity of DVDs will be available for purchase after the deadline via the school office. DVDs will be sent home with your oldest child. Send video questions to [yaca-communications@yinghuaacademy.org](mailto:yaca-communications@yinghuaacademy.org)

## Is there a livestream link for the Saturday performances?

On event day, use this link to watch our performances: <https://livestream.com/iDreamTV/YinghuaCNY2019>. Share this link with friends and family who won't be present at the performances.
