GBoard - the Google Keyboard

The screenshot shows the Google Play Store page for the GBoard app. At the top, there are status bar icons for signal, Wi-Fi, and battery (84%), along with the time 2:48 PM. The app's icon, which features a blue keyboard with a colorful 'G' logo, is displayed next to the app title 'Gboard - the Google Keyboard' and the developer 'Google LLC'. Below the title is a 'Tools' category tag. Two large buttons are present: 'UNINSTALL' in white text on a green background and 'OPEN' in white text on a dark green background. A 'What's new' section follows, indicating the app was last updated on Dec 10, 2018, and listing new language varieties supported. A 'Read more' link is provided. The 'Developer contact' section at the bottom lists links for the website, email (apps-help@google.com), address (1600 Amphitheatre Parkway, Mountain View 94043), and privacy policy.
