

Picking Up Your Child at Yinghua, 3:15-3:45 p.m.

- Dismissal is from 3:15 to 3:45 p.m. at Door 2 (walk-up) and Door 14 (curbside).
- Use Door 2, on 17th Avenue NE, if you wish to pick up your child in the mural hallway of the school.
- Use Door 14, on Fillmore Street NE, to stay in your vehicle and have your child walk to your car via the staff-supervised path and sidewalk. **See the map on the reverse side of this sheet.**

Yinghua Academy uses a computer program called [Silent Dismissal](#) to manage its students' daily going-home plans. The school assigns every family a dismissal number, and each year it issues dismissal cards (with QR codes) to parents and guardians—get your cards at Meet Your Teacher.

Using dismissal numbers, dismissal cards, and QR codes helps us ensure that students are dismissing only to parents and guardians and those they approve for pickup. Your dismissal card indicates to the school that you are authorized to pick up a student.

Picking up, how to:

Step A To pick up a student, you must present the student's family's 2019-2020 **pink** dismissal card. You may show the card itself or a digital picture of the card.

Step B If you do not have the 2019-2020 dismissal card, come to the school office for assistance. After you present a photo ID, staff will confirm, via the Infinite Campus database, that you are a parent or guardian of the student you wish to pick up. If you are neither a parent nor guardian, staff will phone parents or guardians and ask them to email office@yinghuaacademy.org to grant you permission to pick up the student.

Something came up—I need to change today's pick-up plan.

You may make changes to your child's dismissal plan until 2:44 p.m. on the day of the change. At 2:45 p.m., Silent Dismissal locks, and changes cannot be made. Manage your schedule! Review your dismissal plan at the start of each week or before 2:44 p.m. each day. Yinghua offers Aftercare, \$15/day, until 6 p.m. on school days.

Early Dismissal

If your child must leave school **earlier than 3:15 p.m.**, Yinghua permits "Early Dismissal" until 3:10 p.m. Request the early dismissal at least two hours prior to the time when you will pick up your child. To pick up a student early, park in a legal parking spot, and show your dismissal card in the school office. The latest time we will grant a request for an Early Dismissal is 1:10 p.m. of the day in question. To request an early dismissal, use the online form "[Absent/Tardy, Request Early Dismissal](#)," or phone the office.

Need help with Silent Dismissal?

Go to www.yinghuaacademy.org Current Families → Transportation & Silent Dismissal for detailed information about parking, school bus stops, and setting your schedule in Silent Dismissal. For further assistance, contact office@yinghuaacademy.org or call 612-788-9095. If you have more than one child, and if they will not all follow the same dismissal plan on a given day, call the office for assistance setting each child's schedule.

Tip 1 Share your **pink** dismissal card:

If grandparents, sitters, or others you approve will pick up your child from school, share your child's dismissal card before the pick-up day. Sharing a digital photo of the card is acceptable as is loaning out your paper card. You also may request an extra paper copy of the 2019-2020 dismissal card by visiting the school office.

Tip 2 Curbside/no card:

If you plan to pick up a student via Door 14 (curbside) and do not have the student's 2019-2020 dismissal card, visit the school office and follow Step B, above, before driving to the curbside line up.

Tip 3 Play dates:

If your child is going home with another student, that family needs a picture of your dismissal card.
