All are welcome!

What is MYT?

- Students and their parents or guardians come to school to meet homeroom teachers, see classrooms, and deposit school supplies in homeroom. A parent or guardian from every family must check in at the Student Health table in the cafeteria. In the cafeteria you'll also find information tables regarding bus, lunch, Scouts, volunteering, spirit wear, Middle School retreats, and after school options. If you ordered a School Tool Box last spring, pick it up in the gym. Also visit the Used Uniform Sale. 5th graders will pick up cinch sacks in the cafeteria.

Where should we park?

- The large parking lot outside Sociable Cider Werks at 1500 Fillmore Street NE is available for Yinghua parking on Monday and Tuesday. You also may park in the large Park and Rec lot off of 14th Avenue NE, the smaller Park and Rec lot on Fillmore, or on a side street. Both days, do not park in front of the school on 17th Avenue NE. The area in front of the school is reserved for those with mobility and accessibility needs.

Why do the MYT and Post-MYT hours overlap?

- MYT runs from 4-6 both days. Post-MYT fun begins before MYT ends. Here's our thinking. MYT is an open house, and if you arrive at 4 p.m., you're likely to conclude before 5. After you complete your school business, continue the fun at Sociable. These post-MYT events conclude at 7 so everyone can get a good night's rest!
