RE: Mid-Autumn Moon Festival Celebration, Tuesday, September 17

Dear Yinghua Parents/Guardians,

To celebrate the Mid-Autumn Festival, all staff and Yinghua students will have the opportunity to sample a red bean mooncake. Mooncakes are thick round pastries with a flaky crust and pasty filling. In Chinese culture, a round shape symbolizes completeness and unity.

**Each student will receive a quarter (1/4 piece) of a mooncake.** Please be aware that the mooncakes are produced in a bakery facility that uses nuts, soy, and possibly other allergens. The red bean mooncake ingredients include: wheat (flour), red bean, honey, lemon, eggs, and vegetable oil. There is no pork or animal fat.

**Any student with a documented allergy to any of the listed ingredients will not receive the food unless a parent emails the homeroom teacher by Thursday, September 12.** Grapes will be provided as a substitute or you may send an alternative snack. Parents should also discuss with their child which food, if any, they should eat.

Students and staff will receive their mooncakes on **Tuesday, September 17**. Please feel free to contact me if you have any additional questions.

Happy Mid-Autumn Festival!
