

Photo and Video Information for CNY 2020 - Year of the Rat

How do I get a picture of my child in costume?

On Friday, Jan. 24, individual and class or small group portrait pictures are scheduled at Yinghua with their costumes on. Volunteers will also take candid pictures throughout the day. Those photos will be uploaded to the shared [school photo storage](#). Families will be notified once all of the pictures have been uploaded. Parents may also take their own pictures. Please consider uploading your pics for other families to enjoy and potential use in our yearbook. Send questions to photos@yinghuaacademy.org.

Can I get a picture of my child in costume on Saturday at Bethel?

On Saturday, Jan. 25, we have volunteers taking pictures throughout the day and during the performance. Families may also take pictures, but do NOT pull your child from the classroom or when they are in line. Hosts and graduates may take pictures with their families when the house is being seated and also after the PM performance. Families may take pictures during the performance, but:

- DO NOT USE A FLASH! This can disrupt the students' concentration and the professional videography.
- Do NOT use a selfie stick. This can disrupt the view of other audience members.

Can I record my own video on Saturday?

Yes, as long as you do not use flash or a selfie stick. But we have a better option. Order professionally recorded video in either digital download or DVD format, so that you can sit back, relax, and enjoy the performance!

How do I order the Video?

You can pre-order a DVD from the school website or by scanning the QR code on this flyer or at Bethel. DVDs are \$20 for one show and \$30 for both AM and PM shows. The deadline to pre-order is February 4, the last day of the Red Envelope campaign. A limited quantity will be available at the office after the deadline. DVDs will be sent home with your eldest child the week of Feb. 24. Send video questions to cny-dvd@yinghuaacademy.org

Is there a live stream link for Saturday performances?

Yes, there is! <https://livestream.com/iDreamTV/YinghuaCNY2020>

Photography, videography, and livestreaming arranged by the Yinghua Academy Community Association. Production services provided by www.idream.tv
