

Yinghua Academy
Return to School Instructions

Date: _____ Student Name _____ Grade _____

Parent/Guardian Name _____ Communication (circle): Phone In-person Email

SECTION ONE

Your child has the following symptoms:

- New or worsening cough
- Shortness of breath or difficulty breathing
- Fever of 100.4 or above
- New loss of taste and/or smell

***If one of the checkboxes above is marked your child will need to be excluded from school (see section two).**

- Chills
- Muscle pain
- Severe fatigue
- Sore throat
- Congestion or runny nose
- Diarrhea, vomiting, nausea
- Severe, new onset headache

Other Symptoms: _____

***If only one box is checked, your child may return after 24 hours symptom-free (see below).**

***If two or more boxes in this section are checked your child will need to be excluded from school (see below).**

SECTION TWO

- Follow regular school sickness guidelines of 24 hours symptom free before returning to school. You do not need to get permission before your child returns to school.

If your child develops additional symptoms, please contact the school nurse before your child returns to school: Ginger.hao@yinghuaacademy.org, or direct at 612-800-5044.

- Your child must follow the MDH Covid-19 Decision Tree Guidelines** (see attached sheet).

1. Your child must stay at home (isolate) for 10 days **OR until the child both tests negative for Covid-19 OR the doctor gives an alternative diagnosis (such as Strep or Flu).**

2. All siblings must stay home (quarantine) for 14 days before returning to school **OR until the symptomatic child tests negative for Covid-19 OR the doctor gives an alternative diagnosis.**

3. You **MUST** call the Health Office for clearance to return to school before sending your child back to school. *Call direct at 612-800-5044.* We may also ask for medical documentation.

Further Instructions: _____

I understand these instructions and will notify the school before sending my children back to school.
