

Dragon Life Organization (DLO)

The Dragon Life Organization (DLO) is a leadership-cultivation program at Yinghua Academy. By virtue of their enrollment at Yinghua, all of our students are members of the Dragon Life Organization. DLO leaders are called prefects, and a team of prefects makes up the DLO Cabinet. Following an interview process, school administrators select prefects for specific DLO responsibilities.

During the 2020-2021 school year, more than ever, we will rely on our prefects to promote safety, a positive school climate, and a strong sense of community. We encourage students in grade 8 to apply for a DLO leadership position. Mrs. Hoyt and Mr. Brewer will send 8th graders information about the interview process.

Parents, encourage your 8th grader to apply!
