Message to all Yinghua families from Sue Berg

Dear Yinghua families:

I am grateful for your quick replies to the last survey. Your responses gave us what we needed to continue our planning, and we've been working hard on finalizing schedules. As with everything related to the pandemic, this is no small task.

In the survey comments section, you asked about the Covid protocols we will follow when we return to hybrid learning on February 17. Please refer to the detailed message sent by Nurse Hao earlier today for information about this.

Several of you asked about making learning model changes. See below for the dates by which to send me a distance-to-hybrid change request. When Middle School students return to school, they will continue in their current Term II groupings--distance learners Monday/Wednesday, hybrid learners Tuesday/Thursday. From that point on, there are just 5 Term II at-school learning days remaining, and we will not able to accommodate changes in Lower School student groupings.

On Monday, look for another survey from school. The new survey asks you to confirm your in-person or distance learning preference in Term III.

Finally, if you will be hybrid, place school lunch orders between now and Sunday night. See below.
Look for the weekly newsletter tomorrow--one day late, with apologies!

Yours sincerely,

School Lunch Information

If your children are distance learners, disregard this message.

The school lunch menus for 2/17 - 3/5 are available now at https://yinghua.boonli.com/login. During these unprecedented times, our caterer has faced supply challenges when creating menus which comply with the NSLP (National School Lunch Program). Thus, they have no "wiggle room" in accommodating late orders, and they will not give credits for orders that may have been placed for the wrong day of the week.

So, prior to ordering, please read these important notes:

- Contact helen.hindrawati@yinghuaacademy.org if you need a Boonli username/password reminder. DO NOT CREATE A NEW / DUPLICATE ACCOUNT.
- Which days of the week will your children come to school for hybrid learning? Make sure you have this in mind when ordering. If you are unsure, contact Renee.Cosgrove@yinghuaacademy.org.
- ORDER LUNCH ONLY for YOUR AT-SCHOOL DAYS! The calendar shows menus for every school day, but you must ignore the days when your children are not physically at school.
- No refunds and no credits will be issued for wrong-day orders. The school will not be reimbursed by CKC (our food provider) nor by the FRL (Free/Reduced Lunch) program if you order on the wrong day.
- Review your orders for each child before submitting/processing your orders.
• Submit your order by 2/7/21 (Sunday). We can't guarantee a lunch for your child if you miss the deadline.
• Contact helen.hindrawati@yinghuaacademy.org with questions.
