

## **503 STUDENT ATTENDANCE**

### **I. PURPOSE**

- A. The school board believes regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. The purpose of this policy is to encourage regular school attendance. It is intended to be positive and not punitive.
- B. This policy also recognizes that class attendance is a joint responsibility to be shared among the student, parent or guardian, teacher, and administrators. This policy will assist students in attending class.

### **II. GENERAL STATEMENT OF POLICY**

#### **A. Responsibilities**

##### **1. Student's Responsibility**

B. Attendance Procedures

1. Excused Absences

- a. To be considered an excused absence, the student's parent or guardian will be asked to verify, in writing, the reason for the student's absence from school. A note from a physician or a licensed mental health professional stating that the student cannot attend school is a valid excuse.
- b. The following non-exhaustive list of reasons shall be sufficient to constitute excused absences:
  - (1) Illness.
  - (2) Serious illness in the student's immediate family.
  - (3) A death or funeral in the student's immediate family or of a close friend or relative.

- (2) Work missed because of absence must be made up within 2 days from the date of the student's return to school. Any work not completed within this period shall result in "no credit" for the missed assignment. However, the Executive Director or classroom teacher may extend the time allowed for completion of make-up work in the case of an extended illness or other extenuating circumstances.
- (3) A student who misses a class more than 10 times in a term may face a grade reduction in her/his term grade.

b. Consequences of Unexcused Absences

- (1) Absences resulting from official suspension will be handled in accordance with the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.
- (2) Days during which a student is suspended from school shall not be counted in a student's total cumulated unexcused absences.
- (3) In cases of recurring unexcused absences, the administration may request the county attorney to file a petition with the juvenile court, pursuant to Minnesota statutes.
- (4) Students with unexcused absences shall be subject to discipline in the following manner:
  - (a) Student is not allowed to make-up missed work due to an unexcused absence.
  - (b) After 3 cumulated unexcused absences in a term, a student's parent or guardian will be notified.
  - (c) After such notification, the student or his or her parent or guardian may, within a reasonable time, request a conference with school officials regarding the student's absences and the prescribed discipline. The notification will state that the school strongly urges the student's parent or guardian to request such a conference.
  - (d) After 9 cumulated unexcused absences in a term, the administration may impose the loss of academic credit in the class or classes from which the student has been absent. The student/parent can appeal the loss of credit to the Academic Director.

- (e) If the result of a grade reduction or loss of credit has the effect of an expulsion, the school district will follow the procedures set forth in the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.
