Upon consideration of the number of currently-enrolled students at Yinghua Academy, who are each by law provided enrollment preference, the Yinghua Academy Board of Education establishes the following available enrollment/seats in each grade for the 2023/2024 academic year:

4	80
5	70
6	65

8	75
TOTAL	800

Capacity per grade listed above was established pursuant to Policy YA-010 Admissions and Lottery Policy. The policy was revised and approved on January 21, 2020, which at paragraph 4.c. states in part, “the available capacity by grade will be established as a set number for each grade; however, the school will grant automatic admission/over-admission to currently enrolled students, siblings of currently enrolled students, and children of staff employed at the school”.

The Board reminds interested applicants of the Order of Admissions for Available Enrollment/Seats: Siblings of Already Enrolled Students, then Children of Staff Employed at Yinghua Academy, then General Lottery.
