What's The Scoop?

MS China and Taiwan Trip

英華

**YINGHUA  
ACADEMY**

# Basic Information

## Who?

Yinghua Academy

7th and 8th graders

## Why?

To give students an authentic cultural  
experience and the opportunity to use their  
Chinese in a real-world context

Teach students skills to become world citizens

## What/Where?

Chaperoned,  
two-week-long trips to  
China and Taiwan

## When?

Every year in the  
early summer  
(mid-June-July), as  
conditions allow

# How?

In addition to traveling to see famous tourist sites, students will be paired with host families to experience a more rich, authentic experience.

Previously, we traveled to China or Taiwan on alternating years - but demand is such now that we want to run two trips each summer, one to China and one to Taiwan

# Trip Details and Highlights

## Costs

- Airfare, food, lodging, and travel insurance in past trips totaled around \$5,000
  - Current pandemic conditions make exact cost of future trip difficult to anticipate - more detailed estimates will be available when details are planned out year to year
- 

# Alternating Itineraries

## Taiwan

- The entire island
- Large and small cities
- Ancient and modern towns
- Various types of hotels
- Mountains, rivers, ocean

## China

- Three cities
- Authentic China
- Huge country, many layers and facets
- Past, present, and future

# Highlights

- Sister school visit
- Project work
- Adventures with friends
- Challenges and reflections
- The stories belong to you!
