Philosophy and Mission

Philosophy

The philosophy of the Special Education Advisory Council (SEAC) is to ensure that members of the public and educators can work together in a positive way to improve the quality of special education for scholars in the community.

Mission

The mission of Yinghua Academy is to prepare our students to be engaged and productive global citizens by providing a research-based educational program that includes a rigorous academic program, immersion in Chinese language and culture, and a nurturing and supportive school environment.
